A page from your flavor notebook — **one line each time you mix** 💛

Future-you will thank you: jot **what you mixed and when**, straight from your recipe card. It rescues the bottle you forgot to label, shows which batches you loved after a rest, and one day it becomes your own recipe book.

[illegible]

The first line is an example — your turn from there. A batch often tastes best after a day or two of rest.

"But I don't want to go among mad people," Alice remarked.

"Oh, you can't help that," said the Cat: "we're all mad here. I'm mad. You're mad."

"How do you know I'm mad?" said Alice.

"You must be," said the Cat, "or you wouldn't have come here."
